Hi Everyone,

I just wanted to send a personal reminder to please register to vote for the DLANC elections – registration closes tomorrow! As you know, I am running for one of the South Park Business seats and I would appreciate your vote – we need to make sure our stakeholders voices are heard on the neighborhood council and at City Hall.

In order to register you will need pictures of two different documents. I recommend using your phone and e-mailing yourself. One document must be an ID that shows you are who you say you are, like a driver's license, a passport, and other picture ID. The other documents show that you work or live in the area. It could be as simple as a letter with your name on it, business card, utility bill, etc.

Once you have pictures of those documents, go to the following website and enter your information.

<https://register.empowerla.org/council/16/>

After registering, you must wait 24-72 hours for the city to process your information. When that is done, you will receive an email with your username and pin. Click here to vote: <https://empowerla.everyonecounts.com/app/7243/15645>, and thank you so much for your support!!
